## Advertising Agreement

### **Boats**

We offer a choice of two vessel advertising packages. Our price for featuring your boat on our website is only \$500.00. This includes all relevant information about your boat (no limit) and up to ten photographs.

Print advertising is optional, but recommended, as it gives your boat additional exposure. We offer print advertising in four month blocks in Western Mariner. We will include a photo of your boat and a short caption as part of a monthly ad in the next four editions we are able to make the deadline for. The deadline for Western Mariner is the 1<sup>st</sup> of each month to be included in the next month's edition.

Select the package you would like and return the form with your cheque, the survey form and a selection of pictures. We will feature your boat on our website and it will remain there until it sells or you cancel your listing. If you choose the optional advertising package, your boat will be included in monthly ads in the next four editions of the Western Mariner.

Print advertising can be renewed at the end of each advertising period. We will send you an invoice to renew your print advertising one month prior to it expiring. This ensures continuity of service and maximum exposure for your boat.

### **Licences**

Do you want to sell a licence without your boat? For a price of only \$100.00 we will add your licence to our licences page. Simply fill out the Licence Advertising Agreement and return it with your cheque.
